Who are we

“Adhi Raksha Welfare Trust” is an initiative by the alumni of Adhi Parasakthi Engineering College aimed at distributing good quality food for the people in need.

We are the team of nine professionals from various sectors including IT, Manufacturing, Academia and Communication Technology. We initially came together to help one of our beloved teacher who was in need of support during old age. As we started working together we realized our shared passion to serve the society in whatever humble way possible and thus, the Adhi Raksha Welfare Trust was born.
